**What Teacher Does:** Teacher supplies piles of small images cut from magazines for students to select for their compositions.

**What Students Do:** Students will take 3 to 5 magazine images and glue them onto a 9" x 12" paper. From the image they will draw something will connect each magazine image to another one glued on the page. The vacant spaces will be filled with varied images and designs relating color patterns and images into a composition. The finished piece will be done in Prismacolors.

**Product:** An abstract composition will be made from magazine images and other images connecting them.

**Formative Assessments:** Refer to rubric.
